

IN HOME LACTATION SPECIALISTS, LLC

Expert lactation services by a team of IBCLCs

With proper safety measures set for all consultants, we're here to support your breastfeeding goals.

We currently offer:

- Home visits and weight checks
- Office visits and weight checks
- Virtual telehealth visits
- Monthly virtual prenatal breastfeeding classes, always live and interactive

Lactation visits and classes can be billed directly to some in-network insurance plans. Please call us to verify your benefits.
